

# Google is NOT a Public Service

By Anton Weebs

Google is NOT a “Public Service”. Google is a Public Nuisance.

Do not ever be lulled into the facade that “Google serves a public need”. Google is not there to help you. Google is there to abuse your information, manipulate your news, steer your votes, spy on you for politicians and provide Eric Schmidt and Larry Page with billions of dollars in government kick-backs from their bribery of public officials.

Google is pure evil!
